

ACCUTOWER BLU DUPLICATORS

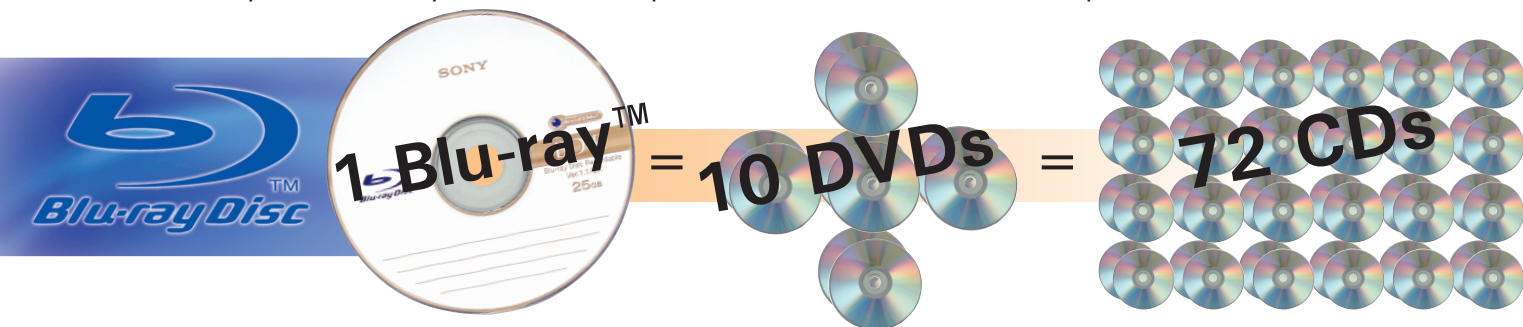

The future of disc duplication has arrived. Accutower Blu makes copying high-definition content easier than ever before. The Accutower Blu can read and record DVD and CD media formats, in addition to the new BD-R and BD-RE formats. Equipped with top quality drives in a sturdy case, these machines are built for heavy duty duplication.

Features

- Choose 3, 5, or 7 Blu-ray burners
- Removable/Swappable 500GB HDD
- Duplicate up to 50 GB dual layer Blu-ray discs
- Best Blu-ray controller available

Increase your storage capacity!

Decrease the amount of discs you will need for storing vital information for your company by upgrading to Blu-ray™. One Blu-ray™ disc can hold up to 50 GBs of information which is equal to:

Warranty
